PremierOne Credit Union Celebrates New Gilroy Branch with Mayor & Community

Gilroy, CA PremierOne Credit Union celebrated the opening of its newest branch in Gilroy, CA on Dec. 7 — a physical location demonstrating the credit union’s commitment to serving the local community so all residents can benefit from financial education, resources, and the opportunity to become a member.

The credit union marked the new branch opening with a ribbon cutting ceremony attended by the PremierOne leadership team, staff, and members from the board of directors. Gilroy City Mayor Marie Blankley also attended and addressed the crowd, congratulating the credit union and saying how happy she is that the Gilroy community now has another great resource for financial services.

The new state-of-the-art branch is conveniently located next to Starbucks and Brew City Burgers in the newly constructed Patio Retail Center near Highway 152 at 1415 1st Street, Suite 101, in Gilroy. The branch has a sleek new design with a 24-hour full-service ATM, convenient parking, and many other amenities with friendly personalized service.

As a member-owned and community oriented financial cooperative, PremierOne strives to build long-term relationships with its member-owners and not just transact with them in a one-off basis. The credit union works to understand members’ economic challenges and opportunities, and to provide products and services that meet and exceed those needs. PremierOne provides financial education and offers services, products, and support to ensure all individuals of the community have equal access to the credit union’s benefits of membership.

“We are thrilled to be part of the Gilroy community,” Brewer said. “We hope this new branch provides a viable banking option for those who wish to join a credit union, become a member-owner, and be a part of something bigger.”
